Authorization Agreement

I hereby authorize The Andover Companies (Merrimack Mutual Fire Insurance Company, Cambridge Mutual Fire Insurance Company or Bay State Insurance Company) to enroll me in its Electronic Funds Transfer (“EFT”) Billing Plan and initiate monthly deductions from my bank account to pay the premiums for my insurance policy and any renewals thereof. I may terminate this authorization only by giving The Andover Companies written notice of termination, in which case this authorization will remain in effect for up to 30 days following the Andover Companies’ receipt of my notice of termination..

I understand and hereby acknowledge that if the amount in my bank account, on any two separate occurrences during the current policy term, is insufficient to satisfy a monthly deduction under the EFT Billing Plan, the second insufficiency will constitute nonpayment of premium for purposes of the cancellation provisions of my insurance policy and my enrollment in the EFT Billing Plan will automatically end.

QUESTIONS / CHANGES

Please contact your agent to answer your questions or to make changes to your policy

EFT BILLING PLAN

To be eligible for EFT a \$500 minimum premium is required. Your payment will consist of twelve monthly installments. There are no service charges associated with this payment plan.

PAYMENT OF PREMIUM

Your payments are withdrawn from your bank account on approximately the same date of each month. Please note the payments are transferred according to your bank's business calendar. No reminder notice will be sent for payments but the transaction will appear on your monthly bank statement. If changes are made to your policy a new payment schedule will be mailed to you.

TRANSACTIONS NOT HONORED BY YOUR BANK

If the amount in your bank account is insufficient to satisfy the deduction then no withdrawal will be made. The amount will be added to the next unbilled payment and a new payment schedule will be mailed to you. Any two separate occurrences of missed monthly deductions during the current policy term will constitute nonpayment of premium for purposes of the cancellation provisions of your insurance policy. This will automatically **terminate** the EFT Plan and require **full payment** of the outstanding balance.
